The Honorable W. Lowell Bray, Jr.  
7530 Little Road  
New Port Richey, FL 34654

Dear Judge Bray:

During these troubled times many well-intentioned changes ostensibly directed towards improving existing conditions are proffered. However, in some cases these changes are a reaction to the current times and may in fact create unnecessary additional conflicts.

One of these reactions may be the proposed change to have court-related functions of the Clerk handled by the courts instead of the Clerk's office. The Clerks have the experience, the staff, and a history of handling court-related functions. A change may not be in the best interests of the citizens of Florida.

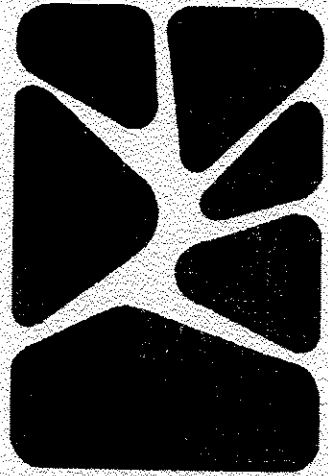

Sincerely,

King Helie
